

December 28-Jan. 1st, Denver, CO

Hosted by Evangelical Friends Church—North America (EFC-NA)

Summit 2018 is all about the movement. The movement among young adult Friends. The church movement. The Kingdom. Summit is a national conference for young adults to experience how the reality of God's kingdom is calling the Friends Church in mission and engaging us with passion.

Kingdom. Mission. Passion.

We need you to play an important role. Will you pray about attending Summit with young adults from your church as a **Mentor-Advocate?**

We ask **Mentor-Advocates** to come alongside young adults and be available, be encouragers, be aware, be present, and be praying. We believe God could use you.

Would you **prayerfully consider** being a Mentor-Advocate?

Summit is a conference that is designed around conversations that will celebrate and fuel the movement. Conversations that could change the church and the lives of young adult Friends...and maybe even you!

We want you to be a part of those conversations.

Will you join us?
