

Snoul, Cambodia

Snoul is a district close to the Vietnamese border and on the main road from Phnom Pen to north east Cambodia and Laos. It is centered around a market area close to our home. Thousands of people work in huge rubber plantations which provide the main source of income. The red, fertile soil is excellent for growing all kinds of fruits and vegetables. In April, people dry their freshly harvested pepper in the street, spreading its spicy aroma across the town. Khmer people here mix with minority groups such as Cham, Phnong, Steang and Vietnamese.

The team has been warmly received into the local community. The main work consists of friendship building and basic gospel sharing along with the literacy and library projects. Above all we need people praying with us for a spiritual awakening among the Khmer people, that they would have a desire to seek and know the true and living God. Pray also that Jesus would soon gather people into bible studies in different villages to know God and trust in Christ alone.

Thank you again for your partnership! Thank you praying for us and for Snoul, and thank you for your generous giving to make our presence there possible. Thank you also for believing and trusting with us that God can grow this mustard seed church and give it influence far beyond it's appearance! You are vital for the work. God bless you, friends!

Partnership in Prayer

“I appeal to you, brothers, by our Lord Jesus Christ and by the love of the Spirit, to strive together with me in your prayers...”

Romans 15:30

Pray for outreach

- for people striving to make merit through offerings and ceremonies to find the freedom of grace in Jesus
- for God to break down the barriers of fear of spirits and shame for those who want to follow him

Pray for children in house church

- for Si-nu-ah to maintain her simple love of God and joyful spirit (left)
- for Mi-Yo to have courage to believe despite family pressure (center)
- for Sa-ve-ak to persevere in school to learn how to read. (right)

Pray for us

- for deep times of refreshing on Home assignment
- for the kids to travel & sleep well
- for God to raise up new prayer and financial partners this year
- for God to prepare our hearts to return to Cambodia

“Call to me and I will answer you” Jeremiah 33:3
