## Church in Action

### ~ College Avenue Friends ~

An issue that College Avenue Friends Church cares about especially deeply is hunger. You can see this in the many among us who volunteer at the local ecumenical food cupboard, in Jan Palmer's Take Along Lunch program that helps hungry kids get through the weekend, and the Oskaloosa Summer Lunch Program that I especially want to highlight here. It is a non-profit under the umbrella of the United Way of Oskaloosa and because of the high poverty levels in our community it is both fully reimbursed for every meal by the USDA, as well as is not required by them to ask the children for proof of their neediness. It now has twelve sites in the Oskaloosa area.

At a Golden Circle program (a monthly small group for senior members) the winter before last, the previous director came and told us about the program, and immediately I wanted to learn more about what it would take to become a site. College Avenue sits of course right next to the Friends Park, the shaded park in Oskaloosa on a hot summer day, and its recently updated play structures and sand pit are the perfect place for large groups of kids to play. Historically CAF had its Jack and Jill preschool whose legacy is readily seen in our facility's ample kitchen and nursery, which is a wonderful plan B location in the case of rain or bad weather.

I knew all of this work was worth it when I saw the kids enjoying hospitality together as equals free of the poor kid stigma I grew up with, as well as mothers enjoying each other's company in a welcome break from the isolation that comes with small children.

Also, many of these kids did come out in the fall for our movies in the park, and I remember one day walking over to the church when seven kids riding their bikes all greeted me gregariously shouting "Hi Pastor James!" when before, they might not have even realized a church met there for worship or recognized me at all. Seeds of love were scattered very thoroughly last summer, and I pray some of these relationships that started last year will continue to deepen and grow, and of course come to discover that Jesus is at work. ~James Tower~

## Revival Testimonies from Around the World

Forty-one years ago China's Cultural Revolution snuffed out all forms of religious expression. Today people in China are looking for some sort of moral compass to organize society. They are turning to religion. Underground churches are meeting openly with the result of at least 60,000,000 Protestants now recognized in contrast to the one million identified when Communists took over power. How did this begin? A few years ago a small gathering of Christians got together to pray 24/7. That has now grown to a nationwide prayer initiative uniting hundreds of Chinese churches including some state-controlled churches where big revivals are happening. Some say that in two decades China will become the largest Christian nation. CBN

Yearly Meeting!

## HESPER FRIENDS HABITAT FOR HUMANITY HOME DEDICATED MAY 13, 2017

A short dedication service and open-house were held for the renovated former Hesper Friends Meetinghouse on Saturday, May 13, 2017.

Prayers, welcomes, and appreciations were shared during the dedication service, and the new home was open to visitors from 1 until 4 p.m. Visitors were also invited to enjoy an 1860's style baseball game between the Decorah "Driftless Dodgers" and the local Habitat for Humanity board members, played in the adjoining parking area.

The sloped floor in the former main room has been leveled, and the renovated home now features kitchen, spacious living-room, three bedrooms, full bath, and half bath on the main floor. The former cloak room has become laundry room, with stairs leading to the basement. The basement kitchen remains functional and includes a few new cupboards.

The downstairs bathrooms have been converted to a half-bath and storage. Many visitors were surprised at the size and space of the rooms, having been used to seeing a sea of pews!

Holly Dahl, the new owner, and her two daughters have been living in the home for several weeks and are happy to become a part of the Hesper community.

# Ministry Conference of Iowa Yearly Meeting

**July 26—July 29**  
**William Penn University**

{Our God}  
IS ABLE  
TO DO  
*exceeding*  
*abundantly above*  
ALL THAT WE  
*ask* OR *imagine.*  
*-Ephesians 3:20*

*“Now to him who is able to do immeasurably more than all we ask or imagine, according to his power that is at work within us, to him be glory in the church and in Christ Jesus throughout all generations, for ever and ever! Amen.” (Ephesians 3:20-21, NIV)*

The passage from Ephesians 3:20 will be the theme verse to remind us that we serve an Awesome God! When we study the Bible, we see that God has much more in mind than what we currently experience. Meditate on these verses for a moment:

*“And we...are being transformed into his (the Lord’s) likeness with ever-increasing glory...”  
2 Corinthians 3:18 (NIV)*

*“For those God foreknew he also predestined to be conformed to the likeness of His Son...”  
Romans 8:29 (NIV)*

*“...he who began a good work in you will carry it on to completion until the day of Christ Jesus.”  
Philippians 1:6b (NIV)*

At our annual gathering, we will be challenged to align our plans with God’s plan for our lives and for the direction of our churches. We will begin to see how we can impact the communities in which are churches are located.

Each day, there will be a theme or focus for the day. These come from lyrics in the song *Thrive by Casting Crowns*.

Plan now to join us for our annual conference where we will enjoy the fellowship of the gathering of Friends, share in the work of Iowa Yearly Meeting, and see how God would transform us to Thrive in the coming days. Even if you are unable to attend the entire conference, plan to join us for evening services or other portions to participate in the greater community of Iowa Yearly Meeting of Friends Churches.

### IAYM Annual Memorials

Local Meetings on Ministry and Counsel are to prepare memorials for deceased members who have, in their judgment, made an outstanding spiritual contribution to the church and who have served faithfully in places of leadership. Please present these memorials to the Monthly Meeting for approval and then send on to the Yearly Meeting Office (Iowa Yearly Meeting of Friends at [office@iaym.org](mailto:office@iaym.org).) Mary will scan the memorial and forward to IAYM M&C.

IAYM M&C will compile all memorials submitted since last year's Memorial Service. M&C will then lead the Memorial Service on the Friday morning of the current Yearly Meeting.

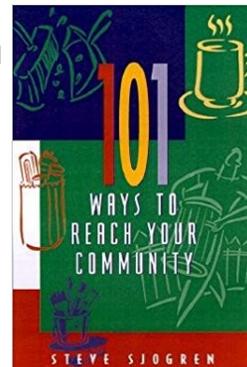

**If you have any memorials to submit this year, please send them prior to July 15, 2017. Thank you.**

### CHURCH IN ACTION

This year we will be giving each church a copy of the book "101 Ways to Reach your Community". On Thursday afternoon we will divide into several groups and look through the book to choose an outreach activity for the following day. Each group will have access to a small amount of funds to help with their chosen outreach.

Then on Friday afternoon we will venture into Oskaloosa to serve the community with the Love of Christ! Our evening worship will be a time of Worship and celebration of giving to the local community through service!

Our hope is that these types of local work/service ideas will spur your imagination about ways to be a light to your local communities. Make sure to pack along some work clothes!
